WHO ARE WE?

The Society of Saint Vincent de Paul is a lay, international, voluntary Catholic organization founded in 1833 by Frederic Ozanam and his companions. Our primary mission is personal service of the poor.

Origins of the Society

First Beginnings: Paris France

Blessed Frédéric Ozanam is recognized as the main founder of the Society of Saint Vincent de Paul. He gathered around him students of like mind and faith and they confronted faculty members of the Sorbonne University who attacked their faith.

One March night in 1833, a fellow student, a non-Catholic, challenged Frédéric and friends. His question was “What are you doing for them (the poor), you and your fellow Catholics...? Show us your works!” Ozanam knew that faith must be translated into action and that, like the apostles, they needed to evangelize by the practice of charity. He rallied the group when he cried out: “The blessing of the poor is that of God...let us go to the poor,”

One evening in May 1833, Frédéric and five other students met in the office of Mr. Bailly. The “Conference of Charity” was born. They asked Sister Rosalie Rendu, a Daughter of Charity of Saint Vincent de Paul to teach them how to minister to the poor with love and respect, and she did so with much kindness. Developing a simple system, they went in teams to help the poor in their homes, in the streets, in the hospitals and in asylums. By 1834, there were more than 100 members and the Conference adopted as their patron Saint Vincent de Paul, a 6th century cleric renowned for his work with the poor. The society arose from humble beginnings to become an international organization found in 130 countries with one million members.

LONDON

The first conference in London was founded at St. Lawrence's in 1863. St. Lawrence was the predecessor of St. Peter's Cathedral, for the seat of the London diocese was still in Windsor. At present, London has 12 parish conferences, including a youth conference at Holy Family Parish. SSVP is committed to helping the poor in the London community.

ST. GEORGE'S PARISH

St. George Parish Conference was formed in 1998 at the request of Fr. Gary Goyeau because the parish was experiencing an ever-increasing number of calls from people needing help. Our founding President was Ed St. Antoine and founding Vincentians were Carol Ann St. Antoine, Ralph Keryth Fish, Brian and Martha Sinasac and Dean and Judy Bechard.

The group quickly set out on their mission with home visits, welcoming many immigrant families to their new country, and recruiting new Vincentian members. We have been blessed with leadership from Ed St. Antoine, Brian Sinasca and Bob Thibert, and our current president, Steve Cashen. The conference continues to grow and established outreach programs to help serve the needed. In 2023, we have over 50 active members. St. George SSVP is in the London Particular Council that serves 13 parishes and the surrounding area. The council's role is to coordinate activities of the parishes, serve the conferences by furthering charitable activities, and encouraging continuity in serving the poor.

Our Goals & Service

Home Visits: our #1 PRIMARY GOAL

Our founding activity, still practiced today, is the Home Visit. Those in need call or stop in at the church. A team member is contacted and the request for food, clothing, assistance is immediately acted upon. Our founding activity, still practiced today is the Home Visit. Through these visits, we Vincentians establish person relationships offering material assistance as well as friendship and understanding. Visits are made in pairs (man/woman) and those we serve are given food vouchers.

Meals

Monthly, free, hot breakfasts are cooked and served by our St. George Vincentians. The drop-in center offers both a hardy, healthy breakfast and a place where individuals can visit to get a hot meal and find fellowship.

Bundle Sundays, Cover Me with Love

Thanks to the parishioners of St. George Parish for their strong support of our conference through donation envelopes, collection of clothing, winter coats, blankets, Christmas hampers, gift vouchers. Items are collected at the church and are then sorted and donated to the store, the Salvation Army, the Muslim Soup Kitchen, as well as helping other Byron Churches and the Christmas Hamper program.

HERE'S WHAT WE NEED

“After the love of God, your principal concern must be to serve the poor with great gentleness and cordiality sympathizing with them in their ailments and listening to their little complaints... for they look on you as people sent by God to help them. You are therefore intended to represent the goodness of God in the eyes of the poor”

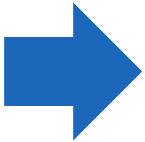

~ Blessed Frederic Ozanam

“...Go and do what you can for your part, and God will do the rest.”
